Step 1 - Find a suitable Call for Proposals H2020 ONLINE MANUAL

The Commission publishes on the Participant Portal all the Calls of its research and innovation programmes **H2020**, and you can search calls from previous programmes (**FP7** and **CIP**). In addition you can find information about some additional calls in the **Other Funding Opportunities** section. If you apply for the first time and do not know yet the programmes, it is useful to read the H2020 Online Manual. It helps you choose the most suitable programme for your area and profile. Besides, you can **search according to your research topic** with key words and set filters in the calls list.

Your **National Contact Point** can also help you find the most suitable call for your profile. SMEs are in addition supported by the **Enterprise Europe Network**.
